

City of Westminster Special Recall Election
Certified Ballot Content

Reasons set forth in the petition for demanding the recall of City Councillor Jon Voelz:

His failure to support lower water rates in Westminster.

Response of City Councillor Jon Voelz:

Vote NO on this misleading and politically motivated recall. They want you to believe this is about water. Councillor Jon Voelz was not even on the City Council at the time of the vote to raise water rates in Westminster. In fact, his only vote on water rates during his time on Council, has been to approve a zero rate increase for ratepayers due to the effects of the COVID pandemic.

This recall has nothing to do with Jon, or any one person. This is about taking over the Westminster City Council in an irregular, summer election. Reject this waste of more than \$250,000 in taxpayer money. A NO vote ensures that self-interested and partisan special interests don't use extreme tactics now and in the future to control our City.

Since joining the Council, Jon has focused on:

- Expanding and maintaining our beautiful open spaces, trails and parks.
- Preserving our safe and thriving neighborhoods by investing in our police officers, firefighters and paramedics.
- Expanding access to attainable housing.
- Protecting our environment and natural assets by promoting sustainable practices.
- Investing in infrastructure like roads, bridges, water and sewer systems -- for now and for future generations.

Throughout this difficult pandemic, Jon Voelz worked hard to get much needed resources and assistance to our small businesses and residents in need. There is still much work to do as we build back, together.

Don't let this recall special election divide our community and abandon our values of fairness and equity. Vote NO to continue Jon's longtime work keeping Westminster a welcoming, inclusive City that is fair for everyone.

Shall Jon Voelz be recalled from the office of City Councillor?

- Yes
- No

Candidate to succeed Jon Voelz should he be recalled from the office of City Councillor:
(Vote for one)

- Kathleen Dodaro
