

Approved Vendor for the
Colorado Bureau of Investigation

Dear CBI Fingerprint Client,

We look forward to serving your fingerprinting needs and we appreciate the opportunity to provide additional information about our company and how our CABS program works.

Who We are: The Colorado Bureau of Investigation has authorized American Bioidentity Inc., dba Colorado Fingerprinting, as one of two vendors who delivers the CABS Digital Fingerprinting Process. American Bioidentity Inc is a wholly-owned subsidiary of the American DataBank Group located in Downtown Denver since 1999. As a local Colorado-based Company, we are dedicated to delivering superior customer service for all of our Clients.

How the CABS Fingerprinting Process Works:

Before a fingerprint is taken all CABS applicants must register and make an appointment through our online Enrollment Center. Enrollment assistance is available, if needed, from our Call Center. This is a simple 5 step process.

- 1. Online Registration** - Your applicants start by visiting our website at www.coloradofingerprinting.com/cabs (smartphone and tablet friendly). The applicant creates an account which allows them to view their order status. As part of the enrollment process each of your applicants provide your "CBI Unique ID" together with other identifying information.
- 2. Location and Time** - Each applicant chooses a location, date and time that is convenient for their appointment. We have several locations throughout the State of Colorado with additional locations coming soon.
- 3. Payment** - The applicant receives the total (CBI and/or FBI fee and the \$15 service fee) and selects their method of payment. Upon successful submission of payment the applicant receives, by text message and email, their order ID.
- 4. Fingerprinting** - The applicant arrives at the chosen fingerprint location on the scheduled day & time and identifies himself/herself to the enrollment agent with a valid Government issued photo ID and their order ID (email or text version). Livescan fingerprints, a digital photo (currently omitted due to COVID19) and digital signature are then captured and submitted to CBI.
- 5. Results** - The results are returned by CBI through the SDDS response portal.

You can contact us anytime with questions or for support at 720-292-2722 or 833-CBI-CABS or email us at info@coloradofingerprinting.com. Thank you for choosing Colorado Fingerprinting.
