

WESTMINSTER

Special Event Application Packet

Dear Event Planner:

Welcome to Westminster! We are excited you have chosen Westminster as the location in which to hold your special event. If you are planning an event that is open to the general public or expected to draw 25 persons or more, you likely need to fill out this application. [Note: If you only want to rent a Park Pavilion, the Promenade Terrace or a room in a City facility, you do not need to complete this application. You may find the appropriate form on the City website or by contacting Angie Ault-Williams at (303) 658-2198.]

In an effort to make the event application experience as smooth and efficient as possible, we have created this packet of information to help you plan your event. This packet is available at City Hall, 4800 W. 92nd Ave., or online at www.ci.westminster.co.us. Although there are many forms included in this packet, you will only need to submit the forms applicable to your event. Attached, you will find a planning check list to help you determine which forms you need to fill out and submit with your application.

You will have a City liaison who acts as your point of contact at the City, coordinating all of your approvals internally. Your city liaison is determined by whether you are seeking to have a special event on public (City) property, or private property. If your special event will be on public (City) property, your City liaison is Hans Reichgelt (303) 658-2124. If your special event will be on private property, your liaison will be John McConnell (303) 658-2474. Your City liaison can answer any questions you may have about conducting a special event in the City of Westminster. The success of your event relies upon your event planner providing us with complete and detailed information. Our role is not to plan your event, but to help you with the process, approve required permits, and help to head off any potential problems or concerns.

Prior to planning your event, the City asks that you consider issues related to the following areas and your event's impact on the City's general functions, including everything from emergency responders' access to roads, to neighbors affected by ongoing noise, to street closures, impacts on businesses, etc. If your event will cause inconveniences or disturbances, the City respectfully requests that you consider a range of alternatives to decrease those negative impacts as much as possible. Again, please contact your City liaison for more information.

The City requires your completed event application be submitted 45 days in advance of your event. Exceptions to this deadline may be made at the discretion of the City depending on the particular circumstances. Please be advised that certain procedures may be lengthy, such as acquiring proof of insurance, obtaining a liquor license, etc., so please plan accordingly. When you have completely filled out the required forms, submit them with your application processing fee (*see attached planning check list to determine the correct amount*) to your liaison at 4800 W. 92nd Ave., Westminster, CO 80031. We will contact you when your application has been reviewed by all of the appropriate City departments (within 30 days of submitting a complete application), or if you have provided incomplete information or something in your plan requires modification.

Once your application has been approved, you will receive a Special Event Permit and any other required permits from the City. You will need to have these items with you at the event as proof of authorization.

Our hope is to provide an efficient process for reviewing and approving your event. We look forward to helping you obtain the required approval, and thank you for choosing the City of Westminster as your location.

Best regards,

Hans Reichgelt (303) 658-2124

John McConnell (303) 658-2474

Special Event Checklist & Planning Check List

The following check list is intended to serve as a guide and inform you of the necessary forms. Check off all necessary forms and include them with the application.

• **Permit Application:** All special event-holders are required to fill out an Application to Conduct a Special Event form. *See FORM # 1.* The Application itself does not guarantee event approval and we recommend you submit your application as early as possible. - **North arrow and graphic scale**

• **Parks, Trails and Open Space:** All events planned for a City park, trail or open space must submit a Parks, Trails & Open Space Permit application. *See FORM #3.* You must apply for use of a City park or trail, even if you are not formally setting up in the park, but expect crowds from your event to overflow into a park or onto a trail.

• **Temporary Use of Private Property:** All events that will be held completely, or in part, on private property must complete the Application for Temporary Use. *See FORM #4.*

• **Street Closures and Activities:** All events that include a parade, require street closures, have street activities or require public parking to be blocked off must submit a Street Activity form with a professional traffic control plan. *See FORM #s 5A and 5B.*

• **Sales and Use Tax on Food or Retail Sales:** If your event includes food or retail sales of any kind, you must collect and submit sales tax. (The event holder is responsible for any permits necessary from the applicable County Health Department.) If you do not already hold a Sales and Use Tax License, submit a Special Events Sales Tax Return obtained via the city's website at <http://www.ci.westminster.co.us/Portals/0/Repository/Documents/Business/SpecEventReturn.pdf>, or contact the Sales Tax Division at (303) 658-2065 or salestax@cityofwestminster.us.

• **Other Items:** Other items to consider include the following:

- **Event Staff:** The City of Westminster requests that event staff be identifiable, either by clothing or name tags of some sort. This makes it easier for attendees and City staff to find appropriate contact personnel. A contact list that includes key personnel and cell phone numbers is helpful.

Westminster Fire Department (WFD) is part of the City of Westminster special event review process. All special events permits are reviewed for overall public safety in accordance with the requirements of section 403.2 of the 2009 International Fire Code (IFC) adopted as amended, as the fire code of the City of Westminster. The applicant hereby requests to use, install, operate or conduct the following potentially hazardous condition:

- Fireworks display
- Erect and use temporary tent greater than 400 square feet, individually or in aggregate
- Open burning (bonfires, cooking, etc.)
- Street Closure

The Westminster Fire Department will contact you to go over additional paperwork that may be required. Conditions, surroundings and arrangements must be in compliance with the City of Westminster Fire Code, and additional requirements may be established by the WFD as deemed necessary. Some special events may require a Fire Protection permit. Fire Protection permits have a set fee associated with them (see form 7B) and include the initial inspection and one re-inspection. These fees are in addition to the special events permit fee and payment is made directly to the WFD. If a Fire Protection permit is required, the event holder or their applicable contracted vendor will need to submit for such permit directly with the WFD. Contact Fire Prevention Bureau at 303-658-4500 or fire@cityofwestminster.us for questions regarding specific Fire Protection permits.
