

Welcome to Walnut Creek Golf Preserve, home to more than 77 wildlife species as well as a staggering variety of native plants. Walnut Creek Golf Preserve is more than just a golf course, it's an Audubon Certified Signature Sanctuary with 215 acres that are sustainably managed to preserve and support wildlife habitat. Since 1999, this award-winning Championship course offers the most natural and unspoiled links style public golf experience in Colorado. The sweeping mountain views, open spaces, rolling hills, and the abundance of wild prairie grasses allow you to experience minimalist links golf the way nature intended.
