The MAC Fitness & Specialty Class Descriptions

Body Flex

Hit the weights! Utilizes barbells, hand weights and other resistance tools to build muscle, boost metabolism and increase endurance.

Cardio Plus

Bring heart-healthy aerobics to your workout using low-impact movements. Focuses on building upper-body and core strength with added cardio endurance.

Flex and Stretch

Build muscle, boost endurance and improve flexibility and core strength. Combines athletic drills and yoga-based stretches to give you complete benefits.

Low Impact - Advanced

Get a full body workout with low impact exercises. This moderately paced class is a balance of cardio, strength and muscle toning.

Low Impact - Beginner

Start your path to better cardiovascular health and wellness through this low-impact, low-intensity class geared toward beginners.

SilverSneakers® Circuit

Alternates standing low-impact moves with standing upper-body strength. A step up from SilverSneakers® Classic, and can be adapted for all fitness levels.

SilverSneakers® Classic

Strengthen muscles and increase range of motion for daily life activities. Incorporates hand weights, elastic tubing and a small fitness ball. A chair is used for seated exercises or standing support.

SilverSneakers® Yoga

Complete seated and standing yoga poses, suitable for beginners to regular yoga practitioners. This class provides breathing exercises and relaxation without the strain on your joints.

Tai Chi

Re-energize, build awareness and empower your mind. Flow through gentle, thoughtful movements to relieve stress as you improve balance, posture, flexibility and internal energy.

*Yoga for Everyone

Improve balance and center your mind. Introduce the linking of breath to movement for full-body strengthening and stretching. Poses are done standing, seated or lying on the floor.

*Zumba® Gold

Strut, shake and shimmy your way to world rhythms in this energetic fitness dance party. Same exhilarating experience as Zumba® focusing on lower-impact options.
