certified businesses

11

3

sustainable businesses of the year

Examples of sustainability actions businesses have took in 2022/SAGE's second year:

- **Vestar/The Orchard Town Center:** Replaced their parking lot lights with LED bulbs, saving \$5,000/month in utility bills
- **Carolyn Love Enterprises:** Upgraded indoor water efficiency and improved landscape resilience.
- **Snooze AM Eatery:** Purchased local and organic produce and sourced food to quality standards
- **GQue BBQ:** Donated funds and food to local community organizations and sports teams. Recycled all products accepted by their waste provider, including cooking oil.
- **Rain dance:** Upgraded their water systems, cutting their water use and bill in half
